The AESO would like to thank all participants for attending the first Stakeholder consultation session on the development of the Operating Reserve Market Review held on November 30, 2021 (the "November 2021 Stakeholder Session").

The AESO appreciates the feedback received at the November 2021 Stakeholder Session. If you were unable to attend the November 2021 Stakeholder Session, or you have additional comments that were not discussed at the session, the AESO would like to invite you to provide those comments at this time. As a reminder, the AESO will be posting the meeting minutes from the November 2021 Stakeholder Session once they have been drafted and reviewed by the attendees.

Please use the attached *Stakeholder Comment Matrix – Additional Feedback from the November 2021 Stakeholder Session* when submitting comments to the AESO. Stakeholders should ensure that comments provided represent all interests within their organization.

The deadline for Stakeholders to provide comments is **January 7, 2022**, to rules_comments@aeso.ca. Adherence to deadlines is essential to the integrity of the comment process, and as such, the AESO may choose not to consider any Stakeholder comments received after the deadline.
