Re: **Notice of Stakeholder Consultation Session on the Development of the Proposed New and Amended Communication ISO Rules and Reliability Standards – Webinar Information**

Further to the *Invitation for the Stakeholder Consultation Session on the Development of the Proposed New and Amended Communication ISO Rules and Reliability Standards* ("Invitation"), this notice provides webinar information for the Stakeholder session on May 10, 2022. The proposed new and amended communication ISO rules and reliability standards that will be discussed at the Stakeholder session includes the following:

- 1) Proposed amendments to Section 502.4 of the ISO rules, *Automated Dispatch and Messaging System and Voice Communication System Requirements* ("Section 502.4");
- 2) Proposed new reliability standard COM-001-AB-3, *Communications* ("COM-001-AB-3"); and
- 3) Proposed new reliability standard COM-002-AB-4, *Operating Personnel Communication Protocols* ("COM-002-AB-4"),

collectively referred to as the ("Communication ISO rules and Reliability Standards").

The AESO posted related material with the Invitation on March 29, 2022, including the draft proposed Communication ISO rules and Reliability Standards and draft amended AESO information documents. Stakeholders are asked to review the related material prior to the consultation session and prepare any questions and comments for discussion.

Webinar Registration Information

The webinar registration information for the Stakeholder session as follows:

Time: 9:00 a.m. to 12:00 p.m.

Date: May 10, 2022

RSVP details: You must pre-register to participate in the Stakeholder session and can do so by clicking the secure link [here](#).

Registration: After clicking the registration link above, enter your first and last name, organization and your email address.

To make it easier to identify you when raising your hand or submitting a question during the session, please enter your company name prior to your first name in the First Name text box (e.g., **AESO Jane** or **XYZ Company Joe**) when registering. You will then receive a confirmation email with a unique webinar link to join the Stakeholder session. There will be an option to download an Outlook invitation to your calendar.

If you have questions or issues with registering, please email rules_comments@aeso.ca.

Additional Information about the Session

In accordance with its mandate to operate in the public interest, the AESO will be audio recording this Stakeholder session and making minutes of the session available to the general public at www.aeso.ca. The accessibility of the session is important to ensure openness and transparency and to facilitate the participation of Stakeholders. Participation in this session is completely voluntary and subject to the terms of this notice.

The collection of personal information by the AESO for this session will be used for the purpose of capturing Stakeholder input for the proposed new and amended communication ISO rules and reliability standards. This information is collected in accordance with Section 33(c) of the *Freedom of Information and Protection of Privacy Act*. If you have any questions or concerns regarding how your information will be handled, please contact the Director, Information and Governance Services, 2500, 330 – 5th Ave SW, Calgary, Alberta, T2P 0L4 , by telephone at 403-539-2528, or by email at privacy@aesocanada.com.

Sincerely,

Jackie Gow
