

August 31, 2017

To Registered Participants in Proceeding 790, Phase 2, Module B and Other Interested Parties

Dear Stakeholder:

Re: **Invitation to Technical Meeting to Present Recalculated 2017 Loss Factors Determined Under Section 501.10 of ISO Rules, *Transmission Loss Factors* (“Loss Factor Rule”)**

The AESO anticipates publishing recalculated 2017 loss factors, determined under the Loss Factor Rule that became effective on January 1, 2017, during the week of September 5-8, 2017.

The AESO invites registered participants in Proceeding 790 and other interested parties to attend the following technical meeting at which the recalculated 2017 loss factors will be presented:

Time: 8:30 to 11:30 am
Date: Thursday, September 14, 2017
Location: BP Centre Meeting Room 6006, 6th Floor, 240 – 4th Avenue SW, Calgary
Note that the glass doors on the 6th floor are locked; please knock and receptionist will unlock door for you.
Teleconference: Information will be provided to parties upon RSVP.
RSVP: Provide names and titles of all participants that will attend by 5:00 pm on **Tuesday, September 12, 2017** to Tatiana Aparicio-Caris at 403-539-2664 or tatiana.aparicio-caris@aeso.ca.
Refreshments: Coffee, juice, pastries, and fruit.

Please note that the meeting is in BP Centre rather than Calgary Place. As indicated above, parties may participate by teleconference.

The subject areas to be covered during the meeting are as follows:

- summary of loss factors and related information posted on AESO website during week of September 5-8;
- overview of changes compared to loss factors and related information posted on May 11;
- loss factor results, including exclusion rates and causes;
- examples of outlier loss factors, including likely causes;
- shift factor results;
- comparisons of new loss factors with prior loss factors; and
- future loss factor work, including development of 2018 loss factors.

Representatives from Teshmont Consultants LP will attend the meeting. Questions will be responded to as time permits during the meeting. The AESO does not expect to provide written responses to questions asked during the meeting.

The AESO will distribute the technical meeting presentation prior to the meeting, to parties who RSVP. The presentation will be posted on the AESO website following the meeting, at www.aeso.ca ► Grid ► Loss factors ► 2017 loss factor development.

If you have any questions regarding the meeting, please contact John Martin at 403-539-2465 or by email to john.martin@aeso.ca.

Yours truly,

John Martin
