Instructions:

1. Please fill out the section above as indicated.
2. Please refer back to the Consultation Letter under the “Attachments” section to view materials related to the proposed amendment to Section 502.9.
3. Please respond to the questions below and provide your specific comments (if any). Blank boxes will be interpreted as favourable comments.

The AESO is seeking comments from Stakeholders on the development of a proposed amendment to Section 502.9 with regard to the following matters:

	Development of a Proposed ISO Rule	Stakeholder Comments and/or Alternate Proposal
1.	Do you agree or disagree that the issue identified requires the development of a proposed amendment to Section 502.9? Please comment.	Agree
2.	Do you agree or disagree with the potential objective or purpose of a proposed amendment to Section 502.9? Please comment.	Agree
3.	Do you agree or disagree with the proposed form of consultation and timelines? Please comment.	Agree
4.	Do you intend to participate in any related consultation? OR Do you agree that no consultation group is required for this rule development? Please comment.	<i>ATCO would like to participate in any related consultations and would like to have the opportunity to view a marked-up version of the new proposed rule before giving final feedback.</i>
5.	Do you have any additional comments?	No
