

Bulk and Regional Tariff Design Stakeholder Engagement Session 2

Session Purpose

The purpose of this session is to re-engage in discussions on the bulk and regional tariff design

Session Objectives

- Review and gain acceptance on process and approach to complete a rate design
- Understand current state rate design
- Reconfirm tariff rate design objectives and balance of trade-offs
- Understand rate design bookends
- Identify initial implications of rate design bookends
- Understand energy storage treatment options and considerations
- Provide technical clarity around rate design bookends
