

## Bulk and Regional Tariff Design Stakeholder Engagement Session 6A

### Session purpose and objectives

The purpose of this session is to engage stakeholders in a discussion of Session 5 stakeholder feedback or follow-up and key questions raised by the Alberta Utilities Commission (AUC) staff, and to provide additional clarity and build mutual understanding of the AESO's preferred rate design and stakeholder concerns. The session objectives include:

- Share our learnings on Session 5 stakeholder feedback or follow-up
- Present and seek stakeholder input on additional information on preferred rate design, including analysis of the potential response to the incentives provided in the rate design
- Present responses to key questions raised by AUC staff
- Seek to understand outstanding stakeholder concerns
