**The AESO is seeking comments from Stakeholders on the development of proposed new ISO Rule – Section 502.10, Revenue Metering Technical Requirements with regard to the following matters:**

	Development of a Proposed ISO Rule	Stakeholder Comments and/or Alternate Proposal
1.	Do you agree or disagree that the issue identified requires the development of proposed new ISO Rule – Section 502.10, <i>Revenue Metering Technical Requirements</i> ? Please comment.	AltaLink agrees and is in support of the development of proposed new ISO Rule – Section 502.10, Revenue Metering Technical Requirements (the “Rule”).  AltaLink believes the development of the new Rule provides an opportunity to better align provincial and federal regulations with regards to revenue metering technical requirements.
2.	Do you agree or disagree with the potential objective or purpose of proposed new ISO Rule – Section 502.10, <i>Revenue Metering Technical Requirements</i> ? Please comment.	AltaLink agrees with and is in support of the potential objective of the proposed new Rule.  AltaLink recognizes a number of technological advancements in software, hardware, telecommunication, and equipment in revenue metering in the last decade, and is in support of a review and potential revision of technical requirements.
3.	Do you agree or disagree with the proposed form of consultation and timelines? Please comment.	AltaLink agrees with and is in support of the proposed form of consultation and timelines.
4.	Do you intend to participate in any related consultation? <b>OR</b> Do you agree that no consultation group is required for this rule development? Please comment.	AltaLink intends to participate in any related consultation of the proposed new Rule.

5.	Do you have any additional comments?	AltaLink believes the technical requirements outlined in the new Rule would better align with existing federal regulations and current operating practices on metering assets. AltaLink is looking forward to the potential operating efficiency improvements as a result of the development of the new Rule.
