Dear Ms. Keating Erickson:

**Re: Alberta Electric System Operator ("AESO") 2020 Tariff Application**

---

The Board of Directors of the Balancing Pool has approved a consumer charge of \$2.50 per MWh of consumption for an estimated annualized amount of \$160,182,500. Pursuant to Section 30(2)(b) of the Electric Utilities Act, any such charge must be included in the AESO tariff.

Please consider this our formal request to have this included as part of the AESO's tariff effective January 1 to December 31, 2020.

If you have any questions, please contact me at (403) 539-5361.

Sincerely,

A handwritten signature in blue ink, appearing to read "Benjamin Chappell", with a long horizontal flourish extending to the right.

Benjamin Chappell  
President and CEO
