

Bulk and Regional Tariff Design Technical Information Session

Session Purpose

The purpose of this technical information session is to help ratepayers understand the impacts of the rate design bookends presented by the AESO on September 24, 2020 (the “rate bookends”) on their invoices. The AESO will provide technical information and answer questions to enable continued dialogue regarding the rate bookends at future stakeholder sessions.

Session Objectives

- Ensure stakeholders understand the mechanics of the rate bookends;
- Enable stakeholders to evaluate the impacts of the rate bookends on their sites;
- Assist stakeholders in assessing the materiality of changes to their invoices; and
- Ensure stakeholders are equipped to present and/or understand rate design options at the October 22, 2020 stakeholder session.
