Instructions:

1. Please fill out the section above as indicated.
2. Please respond to the questions below, and provide your specific comments and proposals (if any).
3. Please provide an estimate of cost and/or time savings associated with your specific comments and proposals (as applicable).

The AESO is seeking comments from Stakeholders on the development of proposed amended Section 103.3 with regard to the following matters:

	General Questions regarding the ISO Rule Development	Stakeholder Comments and/or Proposal	Cost and/or time savings estimate
1.	Do you agree or disagree that the issue and purpose identified in the letter of notice? Please comment.	Capital Power understands the AESO's intent to review its financial security rules, particularly in response to red-tape reduction efforts.	Not Applicable
2.	Do you agree or disagree with the proposed consultation and timelines? Please comment.	Capital Power supports the AESO's consultation timelines and activities.	Not Applicable
3.	Do you have any recommended amendments to the proposed amended Section 103.3.	At this time Capital Power is comfortable with the existing rule. and looks forward to reviewing options for revision. Capital Power believes that any revisions should treat market participants fairly, not unduly increase risk/cost for all parties involved and be consistent with how other ISO/RTO's approach the issue.	Not Applicable
4.	Do you have any additional comments?	Capital Power has no further comments at this time.	Not Applicable
