---	--

The AESO is seeking comments from stakeholders on its approach o reviewing the pricing framework, and content from session 3.

	Questions	Stakeholder Comments
1.	<p>The AESO has presented pricing framework options, and the risks and benefits of each, see below:</p> <ul style="list-style-type: none"> A. Implement improvements to the pricing framework now to incent efficient market response during <i>supply shortage and supply surplus</i> situations B. Implement option A, in future, but <i>delay</i> due to conflicting priorities and external issues that exist today C. <i>Maintain current pricing framework</i>– AESO will continue to monitor the state of the market for signs of loss of system efficiencies <p>Do you believe there other alternatives that should have been considered. If yes, please elaborate.</p>	<p>No, we think that the relevant alternatives have been considered.</p>
2.	<p>The AESO's draft recommended approach is Option C above, maintain the current pricing framework. Do you have comments related to this recommendation?</p>	<p>CanWEA supports the AESO's decision to recommend Option C.</p>
3.	<p>Do you feel you have been able to adequately participate and provide comments to the AESO through this engagement? If no, please describe your concerns.</p>	<p>This engagement process has been very beneficial, and CanWEA has appreciated the opportunity to provide comments.</p>
4.	<p>Do you believe the AESO was effective in the preparation and presentation of the material? If no, please provide suggestions for the improvement of future engagements.</p>	<p>Yes, the presentations have been very helpful and clear. The AESO arranged the sessions well, and clearly presented the ideas and information that it had under consideration.</p>
5.	<p>Please provide any other comments you have related to the pricing framework engagement.</p>	

Thank you for your input. Please email your comments to: stakeholder.relations@aeso.ca.
