Re: **Extension of Stakeholder Comment Deadline for the Proposed Amendments to ISO rules to Enable Energy Storage**

In response to Stakeholder feedback, the Alberta Electric System Operator ("AESO") is extending the deadline for Stakeholder comments on the development of proposed amendments to ISO rules to enable energy storage, as set out in the AESO's *Letter of Notice for Development of Proposed Amendments to ISO rules to Enable Energy Storage*, which was posted on the AESO's website on February 17, 2021.

The deadline for Stakeholder comments has been extended from March 17, 2021 to March 31, 2021.

Please use the original Stakeholder comment matrix or the attached updated Stakeholder comment matrix when submitting comments to the AESO at rules_comments@aeso.ca. The AESO will be publishing on its website all Stakeholder comments received by March 31, 2021 in April 2021.
