Re: **Letter of Notice of Comments Matrix from the November 15, 2019 Tariff Design Group (“TDAG”) Meeting**

The AESO is seeking feedback from stakeholders on the following issues discussed at the TDAG meeting that was held on November 15, 2019:

- The Tariff and TDAG Stakeholder Engagement that has been relied upon to date; and
- ISO tariff 2020 redesign objectives.

### **Stakeholder Comments**

Stakeholders may submit written comments to the AESO using the *Stakeholder Comment Matrix – November 15, 2019 TDAG Meeting*.

Materials related to the completion of the comments matrix are referenced below.

The AESO requests that stakeholders provide any comments in response to this letter of notice on or before December 6, 2019, to [tariffdesign@aeso.ca](mailto:tariffdesign@aeso.ca). Adherence to deadlines is essential to the integrity of the comment process, and as such, the AESO may choose not to consider any comments received after the deadline.

The AESO will publish all stakeholder comments, received by the deadline, and the AESO’s responses on the AESO website on or before December 13, 2019.
