Re: **Notice of Stakeholder Session for Alberta Reliability Standards Development**

The Alberta Electric System Operator (AESO) is providing notice regarding an upcoming stakeholder session for reliability standards development. This stakeholder session will be a virtual session using either Zoom or Skype for Business.

The AESO would like to provide stakeholders with the information for the stakeholder session as follows:

Time: 9:00 a.m. to 11:00 a.m.

Date: June 15, 2020

Registration Details: Registration details will be provided at least one week prior to the stakeholder session.

Purpose of the Stakeholder Session

The purpose of this information session is to review the June reliability standards work plan and timelines for 2020.

Agenda

A draft agenda for the stakeholder session will be posted on the AESO website prior to the stakeholder session. Stakeholders may propose additions to the agenda by sending an email to ars_comments@aeso.ca prior to the stakeholder session. The AESO will consider and endeavor to accommodate these requests where possible. The agenda is subject to change upon the AESO's review of stakeholder comments.

Sincerely,

"Melissa Mitchell-Moisson"
