Re: **Hourly Metered Volumes by Wind Power Facility**

In response to a data request, the AESO is providing an update to the hourly metered volumes for each wind power facility from November 1, 2014, to December 31, 2015. All the data in this report is also available in the Metered Volumesⁱ report on ets.aeso.ca.

At this time, there are no plans to provide future updates to this information.

Please [click here](#) to view the data file.

If you have any questions or comments please contact market.analysis@aeso.ca

Yours truly,
