## Part 200 Markets

### Division 201 General

#### Section 201.4 Submission

#### Methods and Coordination of Submissions

#### Applicability

- 1 Section 201.4 applies to:
  - (a) a **pool participant**; and
  - (b) the **ISO**.

#### Requirements

##### Submission Method

- 2(1)** Unless otherwise set out in the **ISO rules**, a **pool participant** must submit any information required under Sections 201 through 206 of the **ISO rules**, including **offers**, **bids**, operating constraints, **net settlement instructions**, **acceptable operational reasons** and reasons for restatements, through the Energy Trading System in accordance with the *Pool Participant Manuals* published on the AESO website.
- (2)** The **ISO** must make submission procedures available and give reasonable notice regarding any changes to the Energy Trading System.

##### Unable to Submit through the Energy Trading System

- 3(1)** The **pool participant** must, if a **pool participant** is unable to submit information through the Energy Trading System in accordance with subsection 2 because the **pool participant's** computer systems are unavailable, submit mandatory restatements to the **ISO** by telephone.
- (2)** If a **pool participant** submits information by telephone in accordance with subsection 3(1), the following conditions apply:
  - (a) the **ISO** will not enter the information into the Energy Trading System on behalf of the **pool participant**; and
  - (b) the **pool participant** must resubmit all restatements for current and future **settlement intervals** submitted under subsection 3(1) as soon as it is possible to do so.
- (3)** The **ISO** must:
  - (a) not use information received by telephone to determine the energy market **merit order**; but
  - (b) use such information to satisfy the requirements that a **pool participant** advise the **ISO** as soon as practicable that a **dispatch** or **directive** will not be complied with and to provide operational information to the **ISO**.

##### Extension of Time

- 4(1)** The **ISO** may extend the time set for submitting an offer or bid if there is a system-wide unavailability of the Energy Trading System and the **ISO** determines the length of the unavailability warrants such extension.
- (2)** The **ISO** may not extend the time for submitting offers or bids longer than 1 settlement interval following the settlement interval the Energy Trading System is back in service.
- (3)** The **ISO** must notify **pool participants** of any extension of time and its duration.
